About PYX Resources

PYX Resources Limited (NSX: PYX) is a global producer of premium zircon listed on the National Stock Exchange of Australia. The Company's flagship asset is the Mandiri mineral sands deposit, located in the alluvium sediment rich region of Central Kalimantan, Indonesia. Boasting the world's 5th largest producing deposit of zircon, Mandiri is a large-scale, near-surface open pit operation in production since 2015 and with exploration to date validating the presence of additional Valuable Heavy Minerals such as rutile, ilmenite among others within its mineral sands.
