About PYX Resources

PYX Resources Limited (NSX: PYX) is a major global producer of premium zircon listed on the Australian National Stock Exchange. PYX key deposits, Mandiri and Tisma, are largescale, near-surface open pit deposits both located in the alluvium-rich region of Central Kalimantan, Indonesia. PYX, in production since 2015, is the 2nd largest zircon producing mining company globally by zircon resources. Determined to mine responsibly and invest in the wider communities where we operate, PYX Resources is committed to fully develop its Mandiri and Tisma deposits, with the vision to consolidate the mineral sands resources in Kalimantan and explore and acquire mineral sands assets in Asia and beyond.
